Guidelines for Special Event Permit Procedures

When is a Permit Required?

Special Event Permits are required for all events that occur entirely, or in part, on SROA property that:
Are not covered by the existing reservation system for SROA recreation areas (events involving groups that exceed reservation system size limitations or differ substantially from the normal use of the area require Special Event Permits)
Are not normally scheduled recreational activities or SROA-sponsored events
Require exceptions to the Consolidated Plan of Sunriver or the Sunriver Rules & Regulations, when such exceptions are allowed by these documents

How is a Permit Issued?

Applicants must submit a Special Event Permit Application (attached) a minimum of 60 days prior to the event. Applications submitted less than 60 days prior to the event may be accepted at the sole discretion of the Planning and Administrative Services Director depending on the scale and nature of the event. It is recommended that large-scale event applications be submitted as far in advance as possible and a pre-event meeting with SROA be arranged. Applications for events with conflicting dates will be considered on a first come first served basis.
The applicant shall complete the application, sign the Permit and Indemnity Agreement and return the completed application to SROA along with required certificates of insurance listing SUNRIVER OWNERS ASSOCIATION, ITS BOARD OF DIRECTORS, OFFICERS, AGENTS AND EMPLOYEES as additional insured and a check in the amount of the required deposit.
The Application and supporting materials will be routed to SROA and Sunriver Service District departments and appropriate third parties (e.g. Sunriver Resort or Mall) for comment.
The Planning and Administrative Services Director and/or the General Manager will decide if the application can be approved and if approved will sign the permit and return a copy of the completed application, signed permit and any conditions of approval to the applicant.
A copy of the approved Permit shall be distributed to affected SROA and Sunriver Service District departments.

What Fees & Deposits are required?

A deposit in an amount determined by SROA may be charged to cover SROA costs of providing services to the applicant in support of the event and the costs of repairing damages to SROA property.
The amount of the deposit shall be determined by the Planning and Administrative Services Director based on an estimate of the cost of support services and the potential for damage to SROA property and the nature of the event.
SROA shall refund excess deposit monies to the applicant and shall bill the applicant for costs in excess of the deposit amount.
SROA shall charge adopted use fees if the event occurs on SROA property for which a use fee is charged.
