2. Data, case studies, research, etc. - presentations
 - a. Tom Headly – Century West Engineering (Pathway Master Plan)
 - b. Ashley Steinbrecher – Sunriver Police Department (Sunriver Bike Patrol Statistics)
 - c. Carol Scherman – Caldera H.O.A President
 - d. Stacy Wesson – Cascara Property Management (Visitors Perspective)
 - e. Angela Stone – Owner Sunriver Sports / Jason Leistad – Owner Village Bike and Ski (Bike Rental Shop Perspective)
 - f. Ronald Bailey – Sunriver Owner

3. Prioritized concerns revisited - discussion
 - a. What have we learned / what are the take-aways from presentations?
 - b. What are the underlying causes of the primary concerns?
 - c. Have your thoughts on the concerns and prioritization shifted?
 - d. Exercise – develop criteria to help create a final priority list for the primary concerns

Homework:

Potential solutions - pros and cons

- a. We've identified the primary concerns and discussed some potential solutions – further list potential solutions and describe the pros / cons of some of the solutions (such as - cost, timing to fruition, necessary partnerships, effectiveness, communication needs, etc.)

Meeting #3:

- Additional data and case studies (Bend Park and Rec District, Legislation, Legal Counsel Perspective on public pathways)
- Review homework assignment – pros and cons of potential solutions.
- Develop criteria for evaluating potential solutions
- Begin to discuss prioritized solutions as related to the prioritized concerns.

Meeting #4:

- Finalize the primary concerns – describe why
- Finalize the list of potential solutions – describe why
- Make sure that the concerns and solutions have a distinct interrelationship
- Begin to develop findings and recommendations
