

**RULE AND REGULATION UPDATE TASK FORCE
MEETING #6 – TUESDAY, MARCH 10, 2025
3:00 PM – 5:00 PM – SROA BOARD ROOM AND ZOOM**

1. Document Review – Continued Review of Draft #1
 - a. Continued chapter by chapter review?
 - We finished at the end of Section 2 at the February 10th meeting.
 - Begin reviewing Section 4 (*NOTE: due to a Task Force members scheduled absence in April, this meeting will begin with Section 4 instead of Section 3 as what would have been next in sequential order – this will allow that member and subgroup leader to present their Section. If we conclude Section 4, we will begin reviewing Section 3*).
 - Each subgroup describes their section and receives comments from the entire Task Force.
 - Whatever is not covered at this meeting will be the point where the next meeting starts.

2. Owner Comments – continue consideration as the draft is reviewed
 - a. No new owner comments have been submitted since the February meeting.
 - b. How have the owner's comments influenced your rule development?
 - c. Did any owner comments stand out and why?
 - d. How would you like to review the owner's comments as a full task force to ensure that each was considered even if it did not affect the outcome?

3. Homework and next meeting date – **Tuesday, April 14th (same time and place/Zoom)**.
